AWARD

By order No. ID/FD/209/A-76/21934, dated 4th June, 1977 Governor of Haryana, referred the following dispute between the management of M/s. Mukesh Abrasive and Allied Products Ballabgarh and its workman Shri Rattan Singh, to this Tribunal, for adjudication, in exercise of the powers conferred by clause (c) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947.

Whether the termination of services of Shri Rattan Singh was justified and in order? If not, to what relief is he entitled?

On receipt of the order of reference, notices were issued to the parties. The parties appeared and filed their pleadings. On the pleadings of the parties the following issues were framed by my learned predecessor on 19th April, 1978:—

1. Whether the reference is bad in law for the reasons mentioned in the preliminary objections?
2. Whether the workman concerned absented himself from duty with effect from 1st September, 1976? If yes, to what effect?

And the case was fixed for the evidence of the management. The management examined Shri Naresh Chand their partner as MW-1 and Shri Suresh Chand as MW-2 and closed their case. Then the case was fixed for the evidence of the workman.

It was at this stage that a settlement was arrived at. According to which the management paid to the workman a sum of Rs. 2,000 in full and final settlement of the dispute and the workman agreed not to claim anything else, neither reinstatement, or re-employment. I, answer the reference and give my award that the termination of services of the workman concerned was justified and in order. He is not entitled to any relief.
